With thankfulness and dependance in the Lord, I say 'YES' to this role as the 3G National Coordinator. It was this verse in Matt 19:26 - "With men this impossible, BUT with God all things are possible" that gives me the confidence in the ONE who called.

It is a role bigger than myself. Right from the start, I know that it is not possible for me to do it. I thank God continuously for my team and the whole of SM family here in Singapore, as well as, internationally that He will enable us to fulfil His Great Commission.

LEADERSHIP RENEWAL

We are pleased to inform you of a leadership change within Simply Mobilising Singapore (SMSG) with effect from 1st January 2024.

After 12 years of dedicated service and outstanding leadership as the National Coordinator of SMSG, Mr Caleb Siah has passed the leadership baton to Ms Yao Jia Hui. We thank Caleb for his servant leadership in stewarding SMSG during his tenure to bring stability to the organisation through building structure and processes within the organisation. Under his leadership, we see how he provided leadership during the pandemic period and successfully incorporated SMSG as a company limited by guarantee. We believed the foundation he has established would enable us to move firmly forward in carrying out God's mission here in Singapore. Caleb will continue to serve as an active member to the National Coordination Team (NCT) of SMSG.

Jia Hui has been an integral part of our team for 10 years, demonstrating exceptional skills and commitment to God. Please join me in extending our warmest congratulations to her as she steps into her new role. We are confident that, with the grace of God and your support, she will excel in her new position and carry on the mission and vision of SMSG in the years ahead.

We encourage you to reach out to anyone in the NCT with any questions or concerns you may have. Together, let us continue to work in collaboration to fulfil God's mission for His Church. Thank you for your ongoing dedication and commitment to mobilising all believers to be on mission with God.

May God bless you and keep you.

02 Organizational Developments

As an organization, we recognize the imperative need to continually discern and align ourselves with God's will, particularly amidst the ever-evolving landscape of Mission Mobilization. Our National Coordination Team, comprising both longstanding members and those who joined in the latter part of 2023, recently embarked on a 1-day retreat.

This dedicated time allowed for open dialogue, introspection, and collective discernment as we seek to navigate the dynamic path set before us by the Lord. The insights gained from this session have proven invaluable in shaping our team's direction and motivation for the journey ahead.

03 Collaboration with FOMOS

It is with great joy that we announce our official partnership with FOMOS. This collaboration marks a significant milestone for us, presenting boundless opportunities for enhanced collaboration, expanded networks, and the sharing of invaluable resources. FOMOS's mission, aligned with our own, seeks to fulfill the Great Commission, and we are eager to leverage this platform to its fullest potential for the Glory of God.

Through our affiliation with FOMOS, we anticipate forging meaningful partnerships with like-minded organizations, engaging in collaborative initiatives, and accessing resources that will catalyze our collective efforts towards fulfilling the mission entrusted to us. This collaboration underscores our commitment to exploring new avenues for growth and fostering missional impact both within our local churches and beyond.

God had **BLESSED** Singapore churches with so much resources.
Will you join us to **MOBILIZE** the Church for God's Glory.
